ST OF ITS KIND

Subject Authority Microfiche Guides to Serials in the Faxon Files. Available in 2 classification schemes:

- **Library of Congress Classification Codes**
- **36 widely used Indexes/Abstracts**

F.W. Faxon Company, a leader in the field since 1881, has designed a "first-of-its-kind" service to assist serials librarians with their periodicals' ordering and handling — **Subject Authority Microfiche Guides to Serials.**

Subject Classifications are available by either Library of Congress classification codes or by the contents of 36 widely-used Indexes/Abstracts.

The Microfiche Guides to Serials contain not only an alphabetical listing by subject but, as well, a 3-year history for each title listed. Prices and number of orders placed through Faxon for the current year and the preceding 2 years are shown for each periodical.

These valuable and unique statistics can be used by serials librarians in maintaining viable periodical collections, both in selection and in deselection.

The Microfiche Guides to Serials are issued biannually in July and January, assuring subscribers of the most current periodicals' information available from Faxon's advanced, sophisticated information-retrieval system.

LIBRARY OF CONGRESS CLASSIFICATION	**(ISSN 0191-0485)**	**$30.00**
INDEXES/ABSTRACTS CLASSIFICATION	**(ISSN 0191-0477)**	**$30.00**
COMBINATION ISSUE: Library of Congress Classification and Indexes/Abstracts Classification		**$50.00**
